This memorial board includes names from a number of sources (see below). We do not represent that it is complete or "official" in any way. Rather, it is a work in progress as we attempt to identify and recognize those individuals who were either born or lived in Bay County, Michigan, and paid the ultimate price in service of their country. The board has multiple sorting capabilities.

BAY COUNTY SERVICE
MEMORIAL

CIVIL SERVANTS
CIVIL WAR - SPANISH-AMERICAN WAR
WORLD WAR I - WORLD WAR II
KOREAN WAR - VIETNAM WAR
GULF WAR

"May Their Souls Be At Peace and Their Sacrifices Never Fade In Our Memory."

"The mystic cords of memory, stretching from every battlefield and patriot grave to every living heart... should swell into a mighty chorus of remembrance. Gratitude and rededication on this solemn occasion."

-- Abraham Lincoln

Abbrev.: S-Amer. (Spanish-American), POW (Prisoner of War)

Relatively few individuals are willing to put their life in harm's way in order to protect others. Those who serve day-in and day-out, whether as members of the armed forces, law enforcement, fire department, or other emergency agencies, and whether or not they become casualties, command our utmost gratitude and respect.
